

Special Offer on Sentry Security Total Protection Wireless Security System

Keep your home, family, pets, and identity safe with a professionally monitored security system from Sentry Security, Inc.

Now through October 16, receive special pricing on a full-featured wireless security system that delivers years of dependable protection against burglary, home invasion, fire and carbon monoxide detection. The system has simple menu-driven settings to manage pass codes and other options. This installed system includes:

- Two wireless door transmitters
- Two wireless smoke detectors
- One motion sensor
- One carbon monoxide sensor
- Wireless key fob for easy arm / disarm capabilities and built in panic alarm
- Professional installation with window / door decals and yard signs

The alarm panel can handle up to 40 wireless zones, allowing for service monitoring of additional doors/windows, carbon monoxide and sump pump devices, if desired.

All in one value of \$799.00 plus tax, (offer expires: 10/16/09)
24 Hour, 7 days a week professional monitoring @ only \$29.95 per month.
